*Note: The arrangements published by the Department of Education and Skills (DES) recognises the need to provide for contingency arrangements within the standardised school year to deal with unforeseen school closures (such as the “snow days” in 2010/2011). The Board of Management can agree a number of changes to normal practice to address any such shortfalls. However, should the Board feel that those measures are not adequate, then contingency arrangements to make up for time lost **due to extensive or prolonged unforeseen school closures** may now also include **either or both** of the following: (a) The February mid-term break may be reduced by up to three days (i.e. school may have to be open on 15th, 16th, 17th February) **and/or** (b) The Easter break may be reduced by up to three days (i.e. school may have to be open on 29th, 30th, 31st March). **Every effort will be made to avoid such changes but all members of the school community should note the possibility of these contingencies.**

*Please note that due to Covid-19 pandemic, school re-opening will be subject to guidelines as issued by the DES, HSE, NPHE and other state organisations.

The Board of Marian college will implement health and safety protocols as per guidelines and as where practicable. The board reserves the right to adjust

1. The calendar and school timetable
2. The code of discipline and classroom rules, as is necessary.
